WINE LIST

At The 42nd St. Oyster Bar we feel that wine is a very important part of the dining experience. It is our goal to enhance each guest's experience by providing a wide variety of wines that pair well with all of our menu items and that can please every palate.

Throughout time certain ideas have been formulated as guides to help you get the most from a bottle of wine. Naturally, certain wines taste better than others with specific dishes. If rules inhibit your personal enjoyment of wines, we believe there should be no rules. Personal preferences are more important than any rules. Please let us know if we can be of assistance in making your selection.
